

## FOR FRIENDSHIP, LOVE AND SOLIDARITY

OLIMPIKI MASCOT - *In memory of Minja Subota, for the children of the world, in aid of those affected during the Covida Pandemic 19*

Minja Subota and I were good friends. We have known each other for a good year, bonded by our great passion for life, our common friends, and above all our love for children! Our last meeting gave birth to an idea that I will follow through on. Minja was born in Sarajevo. We wanted to visit the city and make the Olimpiki mascot, similar to Vučko, that would go around the world. We will donate the funds raised to the families most affected by the Covid 19 pandemic. The Olympics mascot will be a ray of sunshine and hope to all in these uncertain times of the pandemic, a voice of love, connection, solidarity and mutual aid. Regardless of our background, let's be human, let's stand up for one another!

In this name, the Minja Subota & Nataša Olimpiki Foundation is opening its doors in Belgrade. With this letter, we are starting to raise funds for the implementation of the project.

Thank you for your support,

Nataša Olimpiki
